Whole families can enter!

POINT
4

Record certificate will be issued on the same day!

Competition Outline

●Ceremony and Records

- Prizes are awarded to the first 8 finishers.
- 1st to 8th place finishers will all receive a certificate. 1st to 3rd place finishers will also receive a medal.
- Everyone who finishes the race will be issued the record certificate on the same day onsite.
- Every participant will receive a participation prize.

●Event Rules

- Barriers will be placed at Todoroki (17 km from the start; within 2 hours and 14 minutes of the start) and Shimonoge (18.5 km from the start; within 2 hours and 25 minutes of the start) for the half-marathon.
- Barriers will be placed at Kitamikata (3 km from the start; within 25 minutes of the start) for the 10km Race.
- Please follow the instructions of race officials.
- Race officials might stop a participant if they decide that a participant will not be able to finish within set time limit or is unable to continue.
- If an escort runner is necessary, please consult in advance.
- Race rules conform to the 2019 Japan Association of Athletics Federations Rules.

●Cautions

- We will send you the number card and participation information to the address you applied at late October. Please be sure to bring your number card on the day of the race.
- Even if there is a theft or loss, we can not take responsibility.
- The event may be canceled in the case of bad weather, natural disasters, incidents, any accidents, other reasons, or if we believe that the organizers can not ensure the safety of participants.
- If the event is canceled due to reasons beyond the control of the organizer including cancellation due to social circumstances, the entry fees will not be refunded.

●Others

- Because there are few parking lots, please do not come by car.
- Baggage storage (except for valuables) will be provided for the runners.
- Please line up at the starting line according to instructions from staff members.
- The runners may decide what clothes to wear. However, excessive costumes that may disturb other runners will not be permitted (Number cards should be visible.).
- Runners who suffer injuries during the course of the event will be provided first aid and will be compensated by the insurance taken out by the organizer to the extent permitted by such coverage.
- The rights to post videos, pictures, articles and records on TV, the Internet, and in newspapers and magazines belong to the organizer.
- We are holding this event while taking the environment of Tamagawa into consideration. Please bring your garbage with you when you leave.

Entry Registration

- You can apply from the competition website.
 - You can choose the payment method at the time of registration. (Credit card, convenience store, ATM)
- ※Separately, There is fee for registration.

[Registration Agreement]

To complete the registration, please acknowledge that you have agreed with terms and conditions of this agreement below and then, fill out the form.

1. Change of events or cancellation of participation due to personal reasons is not permitted after submitting applications. Also, overpayment and double payment will not be refunded.

2. In the case the event is cancelled due to a reason which is not the sponsor's fault such as an earthquake, a natural disaster, an incident, an accident, or some other social condition, the entry fee will not be refunded. Other cases will be handled based on discussions with the sponsor depending on the level of necessity.

3. The participant shall bear in mind that they should be in good health without a heart disease or illness and they have sufficiently trained for this event. The participant shall take responsibility for things such as injuries, sickness, accidents, and the loss of personal belongings when participating in this event.

4. In the case the sponsor determines that continuing the competition will be difficult during the event, participants shall immediately obey the sponsor's orders to cancel the competition.

In addition, the participants shall obey the sponsor's

orders concerning safety and event management.

5. In the case an injury or sickness arises during the event, the participant shall not refuse receiving first-aid. The participant shall not call the sponsor to account for things such as the method or process of the first-aid.

6. The sponsor is exempted from the responsibility for things such as the loss of personal belongings during the event and the participant shall not make requests such as compensation for damages.

7. The participant shall understand that compensation for accidents, injuries, and sickness during the event falls within the range of the insurance subscribed to by the sponsor.

8. The participation of families and relatives, guardians (if the participant is a minor) or team members (concerning the entry of representatives) is accepted.

9. Participants who falsify their name or gender on the application, or a participant other than the person who applied (alternate runners) will not be allowed to participate in the event.

In the case something like this is discovered, the

participant shall obey the sponsor's decisions which may include participation and commendations being revoked or qualifications being taken away for future events. In addition, the sponsor cannot take any responsibility at all for matters such as emergency care or refunds for participants who falsify their application or alternate runners.

10. The participant shall accept that materials such as images, photos, articles, and records (personal information such as name, age, gender, records, likenesses) will be reported, published, and used in mediums such as newspapers, TV, magazines, the Internet, and pamphlets. In addition, rights for the publishing and usage of these materials belong to the sponsor.

11. Personal information of the participants will be managed according to rules laid down by the organizer.

12. Other application terms except those described above shall be in accordance with event regulations specified separately by the event organizers.
