[Personal Information Handling]

The event organizers acknowledge the significance of personal information and adhere to laws pertaining to personal information protection and related acts to handle personal information, while utilizing their policy. The event organizers will, with intent of providing event participants with better service, use personal information provided for the purpose of sending event invitations, notification of results, related information, flyers of the next event, service offer from support/cooperative/related bodies in connection with the event, and announcements of records (record ranking, etc). Also, the event organizers or entrusted entities may contact the participants in regards to registration contents.

Contact(E-mail or Fax Only)

Kawasaki city sports association
E-mail: taikyo@aurora.ocn.ne.jp FAX: 044-739-8848

[Registration Agreement]

To complete the registration, please acknowledge that you have agreed with terms and conditions of this agreement below and then, fill out the form.

1. Change of events or cancellation of participation due to personal reasons is not permitted after submitting applications. Also, overpayment and double payment will not be refunded.
2. In the case the event is cancelled due to a reason which is not the sponsor's fault such as an earthquake, a natural disaster, an incident, an accident, or some other social condition, the entry fee will not be refunded. Other cases will be handled based on discussions with the sponsor depending on the level of necessity.
3. The participant shall bear in mind that they should be in good health without a heart disease or illness and they have sufficiently trained for this event. The participant shall take responsibility for things such as injuries, sickness, accidents, and the loss of personal belongings when participating in this event.
4. In the case the sponsor determines that continuing the competition will be difficult during the event, participants shall immediately obey the sponsor's orders to cancel the competition.
In addition, the participants shall obey the sponsor's

orders concerning safety and event management.
5. In the case an injury or sickness arises during the event, the participant shall not refuse receiving first-aid. The participant shall not call the sponsor to account for things such as the method or process of the first-aid.
6. The sponsor is exempted from the responsibility for things such as the loss of personal belongings during the event and the participant shall not make requests such as compensation for damages.
7. The participant shall understand that compensation for accidents, injuries, and sickness during the event falls within the range of the insurance subscribed to by the sponsor.
8. The participation of families and relatives, guardians (if the participant is a minor) or team members (concerning the entry of representatives) is accepted.
9. Participants who falsify their name or gender on the application, or a participant other than the person who applied (alternate runners) will not be allowed to participate in the event.
In the case something like this is discovered, the

participant shall obey the sponsor's decisions which may include participation and commendations being revoked or qualifications being taken away for future events. In addition, the sponsor cannot take any responsibility at all for matters such as emergency care or refunds for participants who falsify their application or alternate runners.
10. The participant shall accept that materials such as images, photos, articles, and records (personal information such as name, age, gender, records, likenesses) will be reported, published, and used in mediums such as newspapers, TV, magazines, the Internet, and pamphlets. In addition, rights for the publishing and usage of these materials belong to the sponsor.
11. Personal information of the participants will be managed according to rules laid down by the organizer.
12. Other application terms except those described above shall be in accordance with event regulations specified separately by the event organizers.
